We understand that this year has been very difficult for many businesses and we appreciate whatever you can support this race with. If you are not able to sponsor at any of the levels listed above, you may still support this wonderful race with any donation. This race benefits two wonderful 501(C)(3) non-profit agencies that do so much for the community and during this pandemic we are currently living, they have done so much more. With your help they can continue to make a difference, in the life of many individuals.

Thank you for your support!!!!!!
